emember:

There was a key to these  
closing halls,

There were eyes in these  
spirited walls.

We all will remember  
our good times and bad,

We all will hold onto  
the memories we had.

Our days at Warwick High  
were few,

We left our past and looked  
for the new.

## Remember School Fashions?

As the mall emerged as the social gathering place during the nineties, fashion became a common bond even among the most diverse student bodies. Shopping for clothes in every area mall: Newmarket, Patrick Henry and Coliseum, was a favorite pastime. Leggett's, Profits, Merry-Go-Round, Fines and A & N were among the top five stores students liked to shop. A major social blunder was to be

caught wearing an unknown label. The most popular brand names were: Guess, Nautical, D.K.N.Y. Perry Ellis, Polo and Tommy Hilfiger.

Tamara Lassiter and La'Tesha Pugh show off their stylish outfits which consists of Perry Ellis, Guess and D.K.N.Y.

Ryan Hare and LaShontay Otey take a fashion moment.

"Comfortably casual" is the style of Cherriekita Parker.

Male fashion plates were represented by Kevin Darden, Damon Tillery, and Calvin Jackson.

The leaders of the marching band: Jeremy Turlington, Jonathon Twitero, Rebecca McKeel, Brett Morgan

Ruthanne White concentrates on her music during a winter practice.

The Warwick band smiles for the camera!

First Chair flute player, Theresa Wells, practiced to get her part perfect.

The concert band was a valuable part of many assemblies during the year.

**Below:** The marching band came off the field from an intense performance of their Spanish show.

Band Director Edward McClellan worked long hours to put our band above the rest.

Drum Major Jonathon Twitero and Assistant Drum Major Jeremy Turlington have worked hard this year to make the band the best it can be. Jonathon, last year an assistant to the Drum Major, has worked this year with Jeremy to create and execute new ideas that have heightened the band's standards and made Warwick proud. Congratulations to the Drum Majors! We thank you for all your work in making the band a huge success.

Far left: Jason Bower plays the trumpet from the heart.

Mrs. Lyon's class was hard at work on the computers.

Mr. Evans, Greg Davis and Sharon Eley enjoyed a delicious lunch at the COE banquet.

# Science: The Key that Opens Doors

Patrick Coleman and Michael Reaves worked hard in the Chemistry lab.

Sarah Shelton, Bianca Newsome, Dillan Witherspoon, and Michelle Carey strained to view microorganisms in Mr. Davis's biology class.

Science is the key to unlocking careers involving technical skills. Most students, who were focused on science, were also involved in science-related clubs and activities. They usually had an interest in careers such as, engineering, medicine and technology.

*Dillan Witherspoon worked hard to finish his biology lab.*

*Mrs. Bowen had captured the interest of Lavietra Nettles, Kyle Narron, and Roshella Lewis in the science lab.*

PREAMBLE

## Remembering our shared History

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

L-R Timothy Johnson, Tom McIntyre, Jofin Lamontagne and Walter Whitaker.

We the people of the United States, in order to form a more perfect Union, establish justice, insure domestic tranquillity, provide for the common defence, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do hereby adopt this Constitution of the United States of America.

L-R: Danielle Mahoney, Chris Wright and Evanie Ford appreciate the past contributions of notable Americans.

...30 We face the difficulties of today and tomorrow, I still have a dream. It is deeply rooted in the American Dream.

I have a dream that one day this nation will rise up and live out the true meaning of its creed: "We hold these truths to be self-evident; that all men are created equal."

# SOUNDS OF MUSIC

The band and the chorus accomplished numerous achievements this year. One of the most notable was the **1996 Newport News All-City Band**. The following students were accepted: Melanie Burkett, John Forrest, Megan, Nick Hurston, John Mitchell, Tiffany Nightengale, Elizabeth Riggs, Sam Savage, and Jonathon Twitero. Congratulations to you all!

Congratulations also to the following band members who successfully auditioned to participate in this year's **Virginia Music Educators Association District Regional Band Festival** in the month of February, at Menchville High

School. **Symphonic Band**: Jason Bower and John Forrest. **Concert Band**: Melanie Burkett, Megan Heatwole, Marcie Mallory, John Mitchell, Tiffany Nightengale, Sam Savage, Jonathon Twitero, and Theresa Wells.

As Radiers and as a family of supporters we should be extremely proud and grateful to the band and to the chorus for giving Warwick High School the reputation it deserves!!!

Jerney Turlington practiced from sheet music for an upcoming event.

Chorus students listen attentively as the Mrs. Powell instructed them on proper breathing and posture techniques.

Taking time from their busy singing careers, dedicated chorus students take time for a quick snap shot!

Knowing that they need this piece of music correct for an upcoming competition, the french horns practiced and practiced and practiced and . . . etc.!!!

My motivation to do well academically is my own determination to do the best I can, not the race for valedictorian. Right now, my concentration is on choosing a good college for what I want to do and keeping my grades up.  
David Hewitt

This struggle is not one that I would characterize as aggressive or even unfriendly. I see it just as any other contest. Ultimately the best man will win.

# OLYMPIC ALL-STARS AT

## BROOKE REID

Born: January 17 in Richmond, VA

Family : Mom: Edith Reid; Dad: Milton Reid; Younger

Brother: Justin Reid

Hobbies: Tennis, Swimming, Drawing, & Reading

On Tennis: "I took a clinic for the first time at five years old. I hated it. I thought it was boring and frustrating. I much preferred to swim. I started swimming for a club when I was six. Swimming, which became a major part of my life, continued year long. When I turned thirteen, on my swimteam, I was supposed to move up to the next age group which meant two practices a day, weight lifting and sprint work. At that time, I wondered about whether or not I wanted to continue swimming, partly because I wasn't swimming well and I didn't think I wanted to dedicate myself to the sport. My father suggested I try tennis for six months, until the summer portion of swimming began. I took his advice and fell in love with the game.

Besides high school tennis, local tournaments and local leagues, I played an association named **MATA (Mid-Atlantic Tennis Association)**. It included girls and boys ages twelve to eighteen from Virginia, Maryland, West Virginia, and Washington, DC.

In the state, I ranked twenty-one and in MATA, thirty-one. I know that I'll always play tennis. It's truly a sport for any age. Hopefully, tennis will help me secure a college scholarship. But my academics is the most important thing for my college career."

# WARWICK HIGH SCHOOL!!!

TORNELL JONES

"Ever since I could remember I knew my soul purpose in life was to succeed, whether it be in sports or in anything else. I can contribute most of that to my mother and father. My mother, because she always wanted me to be better than she was, my father, (I have never seen him, he left us when I was born) showed me how not to be a man.

Something else that always motivated me is this: Where I am from there have been many great athletes, but most of them never made it and I don't want to be a part of that, I plan on changing that history.

Most of all I just want to make my family proud and to their credit, they have been behind me every step of the way."

SHARONDA HARRISON

"Inspirations for me to go out and play to the best of my ability every night comes from my heart for the game, the determination I have in my teammates, the pride I have in being a Raider, and the desire I have to win.

When you have coaches, teammates, and supporters that believe in you, then you should believe in yourself, and that was all the inspiration I needed to go out and play with every night.

In my beliefs, if you put in hard work, then you will receive great rewards. On reaching my 1,000 point mark, that was my reward for all of the hard practices, all of the rough times with teammates, all of the times I felt like quitting, and all of the times I never gave up. When I got my 1,000 points, I felt like I had just won ten million dollars, but without my coach and teammates like Ariann Conner, Channie Lamberson, Rhoshella Lewis, Tanisha Thomas, Erica Bowels, PaTina Sharp, Torrie Chavis, and Clarice Carter, I wouldn't have reached my 1,000 points. I would like to say thank you to them for believing in me."

# Gone, but not forgotten . . .

The Nineties were known as the "**Decade of Change**", and Warwick High School experienced its share of transitions, both smooth and tumultuous. Regardless of Fortune or Fate, the Raiders accepted change with grace and dignity. Two members of the staff retired this year.

Remember the grace of Mr. Ed "Never let them see you sweat" Way, Assistant Principal, whose demeanor was unflappable under direct fire.

Reflect of the dignity of Mrs. Patricia Parker who will be remembered for her poetic talents and an uncanny ability to turn words into musical phrases.

They may be gone, but not forgotten for their help and support to the Raider family.

Mr. Edward Way, Assistant Principal

Mrs. Patricia Parker, English

Olivia, Sara, Shawnti, Tonya, and Naneshia all had a great time at their Senior Banquet.

When given the chance to speak to fellow class members, Nigel Gaines moved in for a chance at the microphone with Trevell Davis.

David Hewitt modeled the door prize that he had won at the Senior Banquet.

Shenequa Crawley, Kagina Taylor, and Tamara Draughn smile after eating a big dinner.

Jay Williams "shows" us that his dinner was great!

At the head table, class officers: Misty Frost, Matt Grimes, and Nikki Chase.

# FACULTY and STAFF at WORK

*Mrs. Holman helps out in the attendance office.*

*Mr. Watson, the Guidance Director, always goes the extra mile for every Warwick student.*

*In Mrs. Mitchell's classes, students not only learned the German language, but also had fun learning.*

Mr. Cowley and Dr. Blakely are two members of a very committed team of guidance counselors. Dr. Blakely believes "our efforts are toward the maximum development of each student according to his or her individual needs and potential." The guidance counselors work hard to expose students to the best possible options for success.

Mrs. Cofrane gave us insight into the wonderful world of biology.

Mrs. Sinclair-White, coordinator for the A.V.I.D. (Advancement Via Individual Determination) program, advises students Bettina Joyner and Troy Randall.

Balance was the watchword and learning how to enjoy life was a real health issue during the decade of change. Commander Wheeler, the Activities Director, showed students how to take a swing at living well.

Charlie People, Mrs. Tarver (BLONDIE), and Mr. Smith helped keep our school safe and orderly.

# SUMMER VACATIONS

# THE SPIRIT

The cheerleaders of Warwick High were just as important as the teachers, the administrators, and the staff. They provide us, the students, with something that we all lacked: school spirit. Without them, the pep rallies would have been no fun and the football and basketball games would not have been very exciting. They were the glue that held "The Spirit of Warwick" for the students and staff. Go Raiders!!!

As a role model for students, keeping up her studies and providing Warwick with a positive image were important goals for Jamilia Benthall.

Trying not to freeze at a football game, the Junior Varsity cheerleaders warmed up.

# OF WARWICK

The Varsity cheerleaders supported our Raiders during the winning game against Menchville.

J.V. cheerleaders supported the basketball team during a victorious win over Ferguson.

Back Row: Katie Dowd, Tameka Taylor, Shawneaqua Harris 2nd Row: Alissa Richmond, Erin-Grey Thompson, Jennifer Emmett, Jamilia Benthall 1st Row: Carrie Seay The squad stopped a busy practice to capture a memory.

# "New Beginning"

Reaching Back to Move Students Ahead

A new addition to The Raiders' football program was Coach A.C. Caurthorn. He came to Warwick from the prestigious Howard University where his six year tenure culminated with a record of 35 wins and 31 losses, to include the 1993 National Championship with an impressive 11-0 record. When asked why he made the change to coach football at the high school level, he said "I

thought that I had more to offer kids in high school in terms of help with their transition from high school to college. Since I've been to college, I already know what it is like and I know what it takes to get there."

Dropping back for a long pass ,#2, Jason Johnson against Gloucester.

Reggie Cudrup, #57, and Tornell Jones, #1, help combine and stop Gloucesters running attack.

As he completes the pass JV player, Anthony Drew, #33, breaks through the end zone.

Coach Caurthorn discusses a play with the referee during a home game.

Warwick's Junior Varsity breaks through with excitement.

Coach Peters and Coach Juan Jackson shout out support to the JV football team.

Raiders fight for the first down!

"I felt our field hockey team had a really great year! It seems the Warwick Hockey Team just had a whole new outlook—coaches, players, attitudes. I think we proved ourselves this past season, especially to the teams who considered us an easy win. We

either showed them a hard game or we came out with the most goals. Next season, I think, Warwick will have a championship team. I just wish this wasn't my last year!"

# “Lady Raiders Taking Over”

The Junior Varsity and the Varsity girls basketball teams really pulled through for Warwick High School. The girls showed team work, effort, good sportsmanship, and skill. Sharonda Harrison achieved a personal goal of one thousand and one points. The Varsity and Junior Varsity adapted well to the new coaches and the new students. Through it all the Raiderettes showed class and grace, and made Warwick High excellent.

hope to move up to the Varsity team next year.

# Spring Sports

As the weather became warmer, the spring sports started to blossom. Sports such as baseball, softball, and soccer were all challenging sports which required concentration and hard work to be successful. Players were training to make this year the best.

A top Varsity player, Mike Napier, showed that playing third base was no problem.

Jay Williams practiced his swing before he stepped up to bat.

Our second baseman patiently waited for the ball.

Aaron Glore swung the bat and looked for a homerun.

After a dynamic hit, Scott Reaves headed toward first base.

Softball players warmed up before a long practice.

# Perfection on the Mat

Wrestling and Gymnastics are sports which require determination, skill, and hard work. Both sports practice every day of the week to reach levels of perfection. This year, the teams once again made Warwick proud. The gymnastics team was one of the top teams in the district again, and the wrestling team hit the mats harder than ever to prove Raiders are the best.

Senior gymnast Brooke Schubert, a dedicated top member of the team, always makes time to chat with teammates.

# HONORING THE ATHLETES

From football to track events Warwick athletes worked hard and reached their fullest potential. Through all of the hard grueling practices and the stress of the big game all of the athletes tried their hardest.

Although some sports won more games than others, Warwick students helped to boost their spirit by cheering them all on. These pictures tell the story of all the determination required to compete in a high school sport.

The sports featured here are as follows: Basketball, Football, Track, Cross Country, Gymnastics, Wrestling, and Baseball. Congratulations to all athletes who competed this year, even those not pictured. Good luck in all your future competitions!

In the hustle of high school good leaders are a valuable asset. The honor societies and S.C.A. are among the leaders that keep our school above the rest. The National Honor Society, along with the Math, French, and Spanish Honor Societies are very difficult organizations to qualify for. Each member must exhibit outstanding ability in areas of leadership, academics, and character. The S.C.A. requires a great amount of leadership of all of its members. The student body looks up to them with respect and honor. When looking back on the memories, however, leading others down the right road can be rewarding . . . and even fun!

# Speaking up for Warwick

When walking down the foreign language hall, many different languages come from the classrooms. Students interested in further participation in the language they are studying become members of a language club. Whatever the case, studying another language becomes a rewarding and fun experience to all who participate.

Keeping in step, and staying in line were important judging points. Here, the NJROTC Drill Team practiced for a meet.

NJROTC (Navy Junior Reserve Officers' Corps) was an important part of the lives of some students at W.H.S. The people who had chosen this four year elective were taught the importance of citizenship and self-discipline. Each week consisted of three days of academic study and two days of military drill. There was no obligation to enter military service in

order to participate in this program.

After a satisfactory three year completion of the program, they were offered incentives for going in to the military. Students were also eligible for college ROTC scholarships. They could have chosen to either enter a service academy or enter the military as an E3, enlisted grade three.

While practicing, in the senior parking lot, the NJROTC Color Guard made sure all of their lines were straight.

The NJROTC was a big part of the opening ceremonies at all our home football games.

Despite the cold winter winds, the NJROTC Color Guard practiced to perfect their routines.

The Warwick High Dance and Step teams (1994-1996), put in long rehearsal hours to be at the top of their form. The "TST, were inspired by college fraternities such as, the old, black and gold Alpha Phi Alpha, and the Omega Psi Phi or Q's. TST had the opportunity to "step" with these fine organizations in a number of performances. The Yearbook staff thanks The Step Team for their support.

The Dance Team also strived to showcase the talents of Warwick students by providing the best entertainment possible.

Within the Art Club dwelled the next Picasso or Georgia O'Keeffe. These budding artists constantly examined things we over looked. They captured the beauty of life in chalk, oils, pencil and watercolors. Their hall displays enhanced the spirit of Warwick High.

Donna Murray, Editor, figures out how many pages are left in the yearbook.

One of the great things about school was knowing that with each new day new memories were made. The Newspaper, Yearbook, and Literary magazine staffs were a vital part of preserving such memories. Their dedication allowed all students to always have memories close at hand.

The Drama department and Sight and Sound created the memories for all as well. Sight and Sound was responsible for Warwick's light and technical work in school productions. Our Drama department, combined with that of Ferguson High, entertained staff and students alike. Among the plays performed this year were: *"The Curious Savage"* and *"Up the Down Staircase"*.

Both "principal" David Belcher and "teacher" Hillary Pittman demonstrated in *"Up the Down Staircase"* that being a member of school staff is not always easy.

With determination, dedication and old fashioned **hard work**, the Warwick swim team went undefeated in 1996. In previous seasons, the team was very small with eight to nine members. This season, the team increased their size to fifteen swimmers! Many of the new members developed their potential and gave the Warwick community a most memorable season. Thanks team!

Coach Ken Zoby calls out the next set of warm-ups before the meet with Ferguson.

Woody Slate takes a breath as he approaches the wall.

New members warm-up with the breast stroke.

From Ms. Holden, Advisor,

In retrospect, I wish to give a special thanks to the Warwick family. Without your support, our efforts would all be for naught. Thank you, colleagues, for your tolerance of the many interruptions and last minute requests. To the 1st semester staff members, your input was invaluable and to returning staff members, GOOD WORK CREW! To TST, Ladies, you were a class act (and a tough act to follow). Good luck in your future plans and Keep On Steppin'! To Jonathan Twitiero, I appreciate the "save" on the band spread. To our patrons who purchased ads, thanks for the support. Thanks to Jessica Jones, Jennifer Waits and Connie Brown during the "deadline madness" (You may now sleep). Finally, thank you to the front office staff, unsung heroes during this "adventure". Thank you ladies.

# Senior Yearbook Staff

My experience on the yearbook staff has taught me responsibility and discipline. I have been on the staff for three years and during that time I've had fun and learned how to work well with other people. I've enjoyed working with the staff these past years and will miss being part of the yearbook at Warwick next year and the years to come!

Connie Brown  
Editor

Good luck to the yearbook staff at Warwick. Be ready for times that you want to pull all of your hair out. Trust me it will be that way at every deadline but hang in there, pick up the slack and keep going. Sometimes sleep will not be an option, just remember after March it gets easier because the book is done.

Donna Mumty  
Editor

The past two years in yearbook have been a rewarding experience. Through all of the hustle, we've always managed to finish the job. I've enjoyed capturing the memories of Warwick High School and I only hope the tradition will continue in years to come.

Jessica Jones  
Co-Editor

During yearbook, there was really some hard work. It was fun when you had everything done and you could just chill.

JoEvan Brown

Putting my time into yearbook was difficult, but I made it through. It was an interesting and helpful experience.

# Tells The Memories

I think yearbook class was very helpful to me. It was hard but interesting and will help in my future career.

Eric Ward

I have enjoyed my year as a yearbook staff member. Being on the staff has taught me more about working with others and being ready to pick up the slack when others fail to do what they are supposed to do. I feel that being on the staff has taught me the responsibility that is needed to be successful.

Dawn Fisher

I have really enjoyed serving on the staff for the past two years. It's been tough, but I feel it's been a worthwhile experience.

Jennifer Waits  
Co-Editor

Being on the yearbook was great, I enjoyed seeing all of the pages come together. I thought all of the late deadlines, and technical difficulties ("the file cabinet ate it"), we all pulled together and got this thing out of here!

The yearbook staff was a truly interesting experience. I learned about different people and different cultures. The class itself was very hectic and stressful because there were strict pre-set deadlines. My experience was memorable and never will be forgotten.
